SUPER POKÃ©MON

** Super PokÃ©mon, I You're Mine!**

Chapter One: I got Ultra!

Jay jumped out of bed. Today was the big. Today was the day Jay went out to become a PokÃ©mon trainer. All young boys had to become a PokÃ©mon trainer. It was part of life. And now, new types of PokÃ©mon were appearing.

Today was the day that Jay Barial went out to make a name for himself. He would be the best PokÃ©mon Master, a better master then Ash, the lengendary PokÃ©mon trainer.

Jay hopped out of bed.

"It's time to become a PokÃ©mon Master," he murmured. "Better head to Professer Oak's house."

Professer Oak had a father who was also a PokÃ©mon Professer. This Professer Oak was the person who gave the PokÃ©mon trainers their first Pokemon.

His rival, Blake, was also trying to become a PokÃ©mon Master, was going with him.

Jay hopped out of bed and ran down stairs.

"Jay stop!"

Jay jerked to a stop at the voice of his older sister, Sarah. "Jay, you aren't leaving us with a hug? Are you little man?"

I walked up to Sarah. I gave her a hug. "Bye sis."

"Later Jay."

Jay walked out of his house, and ran to Professer Oak's house.

There were parents of other children from Jay's town of Scarlet.
He quickly made his way through the crowd. He walked into the door, as three kids ran out chanting something about having there very own PokÃ©mon.
"Owies," Jay moaned. Jay had been ran over.
Jay slowly got up to view the face of Blake.
"Well, well, well," said Blake, "if it's not Jay Barial."
"Yeah Blake, wait do you want?" Jay snarled.
"You came half hour late." Blake smiled. "All the PokÃ©mon, Charmander, Squirtle, Bulbasaur, or even Pikachu are taken! All the PokÃ©mon at Porfesser Oak's house are gone! Smell ya later Jay." Blake walked away.
"Uh, bye Blake," Jay murmured.
"You're late Jay." Professer Oak looked down at Jay. "And I'm afraid my four normal PokÃ©mon I bring out are gone."
Jay sniffled a frowned. "So, I'm not becoming a PokÃ©mon trainer?!"
"Don't worry Jay, I have no more _normal_ PokÃ©mon." Oak smiled. "But I do have some Super PokÃ©mon."
Jay's head rose. "Really?"

Oak walked into his house, and pushed a secret button on the wall. A door opened.
Bunch of PokÃ©mon, _Super_ PokÃ©mon, were there.
"Pick your PokÃ©mon," Oak said.
Jay walked up to a number of Super PokÃ©mon. All of them seemed to ignore him.
Jay kept on walking around until he heard a voice yell, "Tra! Tra! Ul! Ult! Ultra!"
Jay turned his head to a small Super PokÃ©mon that looked alittle like the PokÃ©mon Pikachu. His tail was stripped, black and white. It's body was blue, instead of yellow like a Pikachu's. He had little bluish cheeks.
"That's an Ultra," said Oak. "It's a psychic/electric Super PokÃ©mon. It's DNA is a mix of a Pikachu's and Abra's powers."
"Really?" asked Jay. "It's a really cool PokÃ©mon. And powerful."

"Ultra, come!" yelled Professer Oak. That Ultra walked over to Oak and hopped into his arms. He walked over to Jay. "He's your Jay. But a warning, Jay does not like to be put into a Super Ball."
"A Super Ball is where PokÃ©mon live and are trained, right?" Jay asked.
"Yes, you're right," answered Professer Oak. "You have been studying, haven't you Jay?"
He nodded.
"Here, take this." Oak handed Jay a number of Super Balls and a little device. "This is my advance PokÃ©dex. It tells about PokÃ©mon and other things related to them."
Jay nodded. "Alright. I'm ready to begin my journey of becoming a PokÃ©mon Master!"

Chapter Two: The First Battle!

Jay headed into the forest, with Ultra clinging onto his head. But Jay didn't mind, he was going to become a PokÃ©mon Master with this little Super PokÃ©mon.
All of a sudden, an animal appeared in the middle of the road.
Jay jumped back. "W-w-what is that?!"
All of a sudden, the PokÃ©dex spoke. "Fire-Kat. A fire/cat Super PokÃ©mon. The DNA of a Meowth with special fire attacks."

"Super PokÃ©mon, you're mine! Alright Ultra, do your stuff!" cheered Jay. "Ultra, go!"
Ultra jumped down and clinged onto Jay's leg. "Ultra! Ult tra! Ult ul tra ra! Ultra!"
"Fire-Kat will attack any loud creature, human or PokÃ©mon," continued the PokÃ©dex.
"Come on Ultra!" cried Jay. "Attack or we'll both be destroyed!"

All of a sudden, a Super Ball appeared out of thin air. A girl's voice yelled, "Go! Blob!"
A Super PokÃ©mon appeared out of the Super Ball. It was a clear water blob.
"Blob, water gun attack!" the girl yelled.
The small water animal began to grow. It was a bunch of water. "Blooooooob!"
Water shot out of the Super PokÃ©mon. It hit the Fire-Kat with the water. The Fire-Kat screamed, "Fiiiiiiiiiire! Kaaaaaaat!"
The Super PokÃ©mon was weak. Jay grabbed one of his Super Balls, getting ready to capture it, but stopped. "No, the Fire-Kat is the person who weakened the PokÃ©mon, not mine."
"It's okay." A girl stepped out of the shadow. "I only collect water PokÃ©mon anyways. That's a fire PokÃ©mon. You can capture it."

Jay nodded. "Super Ball, go!" He threw the Super Ball. The Fire-Kat popped into the Super Ball. The ball began to shake.
"Super Balls always shake to see if the PokÃ©mon can escape it," the girl said.
The ball stopped shaking. Jay walked over to the ball. "Yeah! I caught Fire-Kat!"
The girl giggled. "Good for you." She held out her Super Ball. "Blob, return! My name's Aqueen. I'm a water PokÃ©mon trainer. I usually just capture normal PokÃ©mon, but I have some Super PokÃ©mon, like Blob. I see you have an Ultra."
Ultra let go of Jay's leg, and walked over to Aqueen. "Ult tra?"

"Aren't you cute!" she cried. Aqueen grabbed Ultra and held her above her head like he was a little baby.
"Ultra!" Electricity came out from Ultra's cheek.
Aqueen was electricuted. "Aren't you a cute little PokÃ©mon." Aqueen fell to the ground.
"Are you alright Aqueen?" Jay asked. "You looked shocked."
"Do I look okay," Aqueen grumbled.
"Well, it was nice meeting you," Jay muttered. "Bye. Have good luck becoming a water PokÃ©mon trainer."
Jay walked away.

Chapter Three: I Got A Double!

Jay continued walking along.
Ultra ran up to Jay, hold something in his hands. "Ultra! Ultra!"

"What is it Ultra?" Jay bent down and took the item away from Ultra. "It's a map. Did you get this from Aqueen."
Ultra smiled and nodded. "Ult tra."
"Good PokÃ©mon." Jay patted Ultra on the head.
All of a sudden, another Ultra appeared. "Ultra! Ult ult!"
"Two Ultras?" Jay murmured. "Which Ultra is mine." Jay sighed. "Ultra come to me!"
Both Ultra came to Jay.
"Uh oh," Jay murmured. "Jay, do you know him?"

Both Ultra's shook their heads. "Ultra."
"Errr. . . ," Jay murmured. "Ultra. . . . Okay! Ultra! Who was the last person you battled. What did you do to her."
"Ult ra!" One of the Ultras clinged onto his head.
"Uuuuultra!" the other Ultra cried in terror. That was his Ultra.

The Ultra that was on Jay's head began to spark. "Uuuul.... tra!" The Ultra began to shock Jay.
"AAAAAHHHH!"
"Ultra!" Jay's Ultra's jumped onto the other Ultra.
"Maybe the PokÃ©mon will tell me something about Ultra's attacks," Jay said. He held his PokÃ©dex up to one of the Ultras.
"Searching," the PokÃ©dex said. "PokÃ©mon found. Double, a psychic/morphing PokÃ©mon."
"Double?!" Jay exclaimed. "That other Ultra isn't an Ultra?!"
"Double can transform into any PokÃ©mon and alter different forms. Also has psychic attacks."
"Yeah, well my Ultra also has psychic attacks," Jay whispered. "Ultra, thunderwave!"
His Ultra nodded. "Ul. . . . tra!"
A wave of thunder shot right at Double.
Double's Ultra began to spark. "Double!" Thunder began to shield Double of the thunder.
Ultra gasped. As did Jay. "He's using the thunder to give him more power!"
"Thunder Sphere," said the PokÃ©dex. "A shield of thunder that will explode when enough energy is put into it."
"Ultra's going to have to use one of his psychic attacks," Jay muttered. "Ultra, use sleeping attack on him!"
"Ultra!" Ultra began to dance around Double, and sang. "Tra! Ult ult ra! Tra! Ult ult ra!"
"Double!" yelled the Double in it's sphere.
"It's unaffective!" Jay cried. "I know what to do! Ultra, thunderbolt know!"
"Ul. . . ," his PokÃ©mon yelled, "tra!" A strong wave a thunder hit the Double's shield.
"Ultra, teleport!" Jay yelled.
Ultra teleported into thin air. Ultra had never gotten hit by the shock. Ultra reappeared behind Double.
"Ultra, scratch!"
Ultra scratched the Double.
"Alright, go, Fire-Kat!" Jay yelled. He threw is Super Ball, and out came Fire-Kat.
"Fiiiiire-Kat!" he yelled. The PokÃ©mon turned to Jay. It's fire-fur was on end.
"Fire-Kat, attack!" Jay yelled.
"Fiiiiiire-Kat!" His eyes were red with fire.
"No! Don't attack me! Attack the Double!" Jay cried."Attack the Double!"
All of a sudden, the Double began to change. It altered it's DNA to become a miz between Ultra and Fire-Kat.
"Ultra?!" Ultra exclaimed.
"Kat?!" Fire-Kat cried. He hissed.
"PokÃ©mon, attack!" Jay yelled. "Ultra, thunder shock! Fire-Kat, ember!"
Fire-Kat's eyes glowed, and fire began to appear around Double. Thunder shot out of Ultra's cheeks.
"DOUBLE!" the Super PokÃ©mon cried.
Double had been weakened.
"Alright, go Super Ball!" The Super Ball hit the Double, and

Double appeared inside of the Super Ball.
"I got Double!" Jay cried.

Chapter Four: To the Next Town!!

Jay's journey was starting off great! He had been given an Ultra, his new friend, Aqueen, had caught a Fire-Kat for him, and Jay had captured a Double, the morphing PokÃ©mon.
Ultra rode on his head. "Ult ult!"
"Yeah," said Jay, "I guess I should take Fire-Kat out and Double. They are part of the team too."
"Ultra!" Ultra cried happily.
"Fire-Kat, Double, go!" The two Super PokÃ©mon came out of the balls.
"Double!"
"Fiiiiiire-Kat!"
Double hopped onto Fire-Kat's head. The blob PokÃ©mon kept on chaning colors. It was yellow at the moment.
Jay stopped, and held his PokÃ©dex up to Double. "Is there anything wrong with my PokÃ©mon?"
"Double changes color because of it's mood. Yellow usually means it is sick," the PokÃ©dex said.
"Sick?" repeated Jay. He grabbed Aqueen's map Ultra had taken. "The next towns not to far away. Let's go Super PokÃ©mon! All you other Super PokÃ©mon, hear this! I will be the very! Like no one every was! Super PokÃ©mon, you're mine!"
And so Jay, Ultra, and the rest of the PokÃ©mon's journey begins.

Chapter One: Battle in Lost Forests

****

Aqueen walked up to the fork in the road.
"That Jay is going to pay," she grumbled. "Burn me will he? Well then, he and his Double, Ultra, and Fire-Kat will just have to go to the Lost Forests instead of to the next town. Heh."
Aqueen grabbed that said which way to go and turned it, so if you followed the direction the sign gave you, you would end up lost.
"Jay is going to end up in the Lost Forests," sneered Aqueen.

Jay and his Super PokÃ©mon Ultra continue to walk to Scarlet Town. Jay's friend had caught a Fire-Kat for him, and Ultra and Fire-Kat had attacked a Double, and Jay had caught a Double.
Up ahead in Scarlet Town, Jay would battle his first gym. It would be his first offical match, unless he ran into someone along the way.
Jay came up to a fork in the road.
"Ra tra?" asked Ultra. He didn't live in the Super Ball like normal Super PokÃ©mon. He walked along with his trainer.
"I'm not sure which way to go Ultra," Jay replied. "The map says to go right, but the sign says to go left. I'm confused."

"Tra ra!" Ultra agreed.
"If only we had a flying PokÃ©mon," Jay grumbled. "I'd be able to get it to check. But, I'll be adventurous and follow the sign."
"Heh."
Jay jumped. "Huh?! What?! Who's there."
There was only silence. "Hmmm. Did you hear something Ultra?"
"Ult tra," answered Ultra.
"Yeah, me too." Jay looked around. "Let's go Ultra."
The two walked away.

Jay and Ultra continued walking along the path to Scarlet Town.
"I don't think this is the right path to Scarlet Town," Jay murmured. "Someone tricked us into going to the Lost Forests. It's said that there are trainers that hang out here."
"There are."
Jay turned to see a kid who had a couple of PokÃ© Balls and Super Balls.
"How 'bout a battle?" he asked.
"Sure!" Jay said joyfully.
"How about two-on-two?" suggested the kid.
"You can have two PokÃ©mon fighting against each other?" Jay asked. "I thought it was one at a time."
"This is how we play in my woods," said the boy. He grabbed two PokÃ© Balls or Super Balls. "Blob, Shriek, I chose you!"
Out came a Blob and another type of Super PokÃ©mon.
Jay held up his PokÃ©dex.
"Shriek, a ghost Super PokÃ©mon," said the PokÃ©dex, "Can use psychic attacks on other PokÃ©mon. Is the altered form of Gastly and can use a number of other PokÃ©mon's attacks."
"Alrght," said Jay. "Ultra, Fire-Kat, go!"
Fire-Kat appeared out of his Super Ball. "Fiiiiiire Kat!"
"Tra! Ra! Uuuuul tra!" cried Ultra.
"Attack together!" Jay ordered. "Ultra, put them to sleep with your psychic attack!"
Ultra began to do a little dance around the Blob and Shriek. The Blob fell asleep, but the Shriek didn't.
"Shriek's other altered powers are more powerful psychic attacks," finished the PokÃ©dex. "He is not effected by psychic attacks."
"Now he tells him," Jay grumbled. "Fire-Kat, finish of Blob!"
"Shriek, multi-attack!" shouted the other trainer. All of a sudden, five Shrieks appeared.
"I thought this was two-on-two!" protested Jay.
"It's still two PokÃ©mon," said the other trainer.
Fire-Kat jurked to a stop.
"Your Fire-Kat's too scared to move!" The other trainer laughed.

"Fire-Kat, ember!" ordered Jay. Nother happened. "He's right, Fire-Kat can't move. Fire-Kat, return!" Fire-Kat went back into the Super Ball.
All of a sudden, Blob woke up.
"Ultra, Superbolt!" Jay shouted.
"Ultra, ul," Ultra began to charge up, "Raaaaaaaa!"
Ultra had fried Blob, but Shriek was not effected.
"You can't harm Shriek," said the boy proudly. "Shriek, Superbite, now!"
Shriek opened his mouth wide.

Chapter Two: PokÃ©mon Stealers

"Ultra, agility now!" Jay cried.
Ultra nodded.
Shriek began to bite down, but he missed, as Ultra ran out of the way.
"Huh?" the other boy murmured. "Shriek, attack!"
Ultra dodge out of the way again.
"I think Ultra confused Shriek," Jay said proudly. "Ultimate-Shock!"
"Ullllllllll TRAAAAA!" Ultra shocked Shriek.
Shriek fainted.
"Yeah! I won my first battle!" Jay cried.
"And now, your PokÃ©mon will be ours little boy."
Out of the shodows came four adults.
"Perpare for trouble," one said.
"And you can make that triple trouble," the second said.
"To protect the world from weakling trainers," the third said.
"To bind all bad guys within our nation!" the first said.
"To aannouse the evils of truth and love," the second said.
"The extend our reach to the stars above!" said the third.
"Mike!" called the first.
"Nick," said the second.
"And Kelly," said the third.
"Team Rocket blast off at the speed of light!" cried Mike.
"Surrend now, or perpare to fight!" continued Nick.
"That's right!" finished Kelly.
"Huh?" murmured Jay. "Who are you?"
"We're Team Rocket little boy," Kelly answered. "And now, we're here for your PokÃ©mon!"
Mike and Nick both grabbed Super Balls and threw them.
"Shadow, go!" cried Mike.
"Bulk, attack!" shouted Nick.
Jay held his PokÃ©dex up to the two PokÃ©mon.
"The Super PokÃ©mon Shadow and Bulk are both PokÃ©mon most gangster uses," said the PokÃ©dex. "Shadow is the evolved form of Shriek. Bulk is the strongest fighting Super PokÃ©mon in it's first stage."
"Alright Ultra, go!" Jay ordered.
Ultra shrieked, and grabbed onto Jay's leg.
Jay grabbed one of his Super Balls. "Alright Fire-Kat, go-"
"Shadow, suck attack!" ordered Mike.
Shadow sucked up Jay's Super Ball.
"Fire-Kat!" Jay cried. "Ultra, please attack. They stole Fire-Kat."
Ultra didn't do anything, until it fell asleep.
"It seems your Ultra is too tired to attack," Kelly sneered. "And now, I have my own PokÃ©mon. Go, Super Ball!" She threw the Super Ball with Fire-Kat in it.
"Fine," Jay muttered. "Go, Double, I chose you!" Jay threw Double's Super Ball.
"What's this?" Kelly raised an eyebrow. "A little blob Pokemon?"

"Alright Double," Jay commanded, "alter attack! Use Ultra, Fire-Kat, Shadow, and Bulk's forms!"
"Double!" The little PokÃ©mon nodded. It transformed.
"Alright Double, Thunder Toss Bulk!" Jay ordered.
Double used his thunder powers and fighting powers to attack Bulk. Bulk became paralzed.
"Now Double, hypnoises! Make Fire-Kat and Shadow sleep!" Jay commaned.
Double's eyes flashed, and Fire-Kat and Shadow fell straight to

sleep.
"Now, uses Ultimate-Shock and Super-Punch in one move!" Jay shouted.
"Wake up you dumb PokÃ©mon!" shouted Team Rocket.
Double began to charge up and went full speed at all three PokÃ©mon. It sent them flying.
"PokÃ©mon, return!" shouted Team Rocket.
"Alright! I defeated Team Rock!"
"Ra Tra!" Ultra cried.

Chapter Three: Aqueen's Revenge!

"Whoa, you defeated Team Rocket!" everyone exclaimed as Jay and Ultra walked sadly out of the Lost Forests. Fire-Kat had been stolen from them by Team Rocket.
"Tra tra," murmured Ultra sadly.
"I'll miss Fire-Kat too Ultra," Jay murmured, "I'll miss him too."
"Alright!""Alright Jay, I want to battle!
Out of the bushes popped out Aqueen. "Alright Jay, I want to battle, you little dumb PokÃ©mon trainer! You defeated Team Rocket, but lost Fire-Kat, the PokÃ©mon I gave you!"
"I'm not in the mood to battle Aqueen," Jay grumbled and walked away.
"You aren't getting away that quickly!" shouted Aqueen.
"What are you going to use, your Blob again?" Jay sneered.
"Alright, gooo Splasher!" A Super Ball shot right past Jay and out of the ball came nothing.
"You need to learn how to use Super Balls with PokÃ©mon in them," Jay sneered.
"Splasher, water wave!" shouted Aqueen.
All of a sudden, out of nowhere, a large wave of water hit Ultra and Jay.
"Traaaaa!" Ultra cried.
"Heeeelp!" shouted Jay.
All of a sudden, out of nowhere, a bird dived down into the water.
"What the?" murmured Aqueen. "Splasher, appear!"
All of a sudden, a large fishlike PokÃ©mon appeared out of nowhere.
Jay and Ultra both hung in the talons of a large bird.
"Talon, put them down and come back here!" ordered a new voice.
All of a sudden, the bird PokÃ©mon named Talon dropped Jay and Ultra. Both landed safetly. They saw Aqueen and another PokÃ©mon trainer.
Jay held up his PokÃ©dex.
"Spasher, a fish Super PokÃ©mon," said the PokÃ©dex. "The altered form of Magikarp and Goldeen. This water Pokemon has special attacks such as invisiblity. Talon, a bird Super PokÃ©mon. The altered form of Pidgey and Spearow. This is bird PokÃ©mon uses powerful wing attacks and uses it's large talons to scrap enemies."
"Who are you?" asked Aqueen.
"I'm Dee, leader of the Lost Forests PokÃ©mon trainers," she answered. "People can't just go around attacking each other, it just isn't right! Talon, super scrap now!"
Talon shot down and grabbed Splasher.
Aqueen flinched. "Splasher, water shield!"
All of a sudden, water surrounded Splasher's body.
Talon dropped the Splasher.
"Alright Talon, now's your time!" whispered the trainer called

Dee.
I bet Dee needs my help to beat a trainer like Aqueen, thought Jay. "Double, I chose you!"
The Super Ball hurled through the air, and out came Double.
"No!" shouted Dee. "This battle is between this PokÃ©mon trainer and I." She nodded. "Talon, now is your time! Do it!"
All of a sudden, Talon began to glow and disappeared.
"Ha!" Aqueen smirked. "There's no teleporting in a match. I win!"

"But Aqueen, there's no rule against evolving a PokÃ©mon during a match," pointed out Jay.
"I know that," said Aqueen. "I'm a Super PokÃ©mon trainer!"
"Then look up!" ordered Jay.
"Huh?" Aqueen looked up. There was another PokÃ©mon that looked alittle like Talon.
"Razor, the evolved form of Talon," said Jay's PokÃ©dex.
"Splasher, evolve now!" ordered Aqueen. "I've held you back, but now's your chance!"
All of a sudden, Splasher's form changed.
"Diver, the evolved form of Splasher," said the PokÃ©dex.
"Diver, water cannon!" ordered Aqueen.
"Talon, quick attack!" Talon dived past Diver's shots and hit Diver.
"Ah!" screamed Aqueen. "Diver, return!" Diver popped back into the Super Ball. "I guess you won." Then she turned to Jay. "I'll get you later!" Aqueen walked off really mad.

Chapter Four: Battle of the Squirtasuar!

Jay walked through the path that lead to Scarlet Town.
"Hey! You! Jay! Wait for me!"
Jay turned around to see the same girl who had battled Aqueen.
"What Dee?" asked Jay.
"I wanted to give you this." Dee gave Jay something. "It's a Forest Medel. It's for defeating Team Rocket."
"Oh," said Jay. "Gee Dee, thanks." He smiled. "Hear that Ultra. A Forest Medel!"
Ultra was sniffing around near a bush, when all of a sudden, the bush moved.
"Tra!" Ultra came running back.
"What's wrong Ultra?" asked Jay.
"I think he found a something you might want to capture." Dee smiled. "Something's been scaring most of the PokÃ©mon lately. Is your Ultra brave enough to capture it?"
"Sure is!" said Jay.
"Cool, can't wait to see this battle." Dee smirked.
"Ultra, where is it?" Jay asked.
Ultra pointed to the bush.
Jay walked over to where it was.
All of a sudden, some strange PokÃ©mon jumped out from the bushes.
"What's that?" wonder Jay. He held up his PokÃ©dex.
"Squirtasuar, a Super Pokemon," said the PokÃ©dex. "The altered DNA of Bulbasuar and Squirtal. Has plant and water attacks."
"Hmm," murmured Dee. "Ultra vs. Squirtasuar."
"Alright Ultra," Jay said, "let's try capturing it."
Ultra nodded. "Ra Tra!"
"Alright Ultra, I chose u!" ordered Jay.
Ultra walked up to Squirtasuar.
"Ultra Thundershock!"

"Ulllll," Ultra began to charge up. "Tra!" Ultra shocked Squirtasaur.
"Yeah!" cheered Dee. She began clapping.
Then, all of a sudden, Squirtasuar's vines shot out.
"Wha?" murmured Jay.
"Tra!" shouted Ultra. The vines rapped around Ultra. Ultra couldn't move.
Dee stopped clapping.
"Ultra, Mind Attack!" ordered Jay
Ultra tried to using his mind attack to take control of Squirtasuar's mind, but Ultra is too wrapped up to attack.
"Bring Ultra back!" shouted Dee.
Jay nodded. "Ultra, return!"
Ultra doesn't move.
"Jay, Ultra can't do anything when it's trapped like this!" explained Dee.
Then, Squirtasaur let go.
"Gee, thanks Squirtasuar," said Jay.
"Ultra watch out!" shouted Dee.
All of a sudden, Squirtasuar's tail shot down at Ultra. He was using tail whip against Ultra.
FWAAAP!
Jay blinked. "Err... Ultra, agillity, now!"
FWAAAP!
"Ultra, move out of the way!"
All of a sudden, Ultra moves quickly out of the way.
"Alright, Ultra, return!"
Ultra slowly walked back.
Jay grabbed one of his Super Balls. "Gooooo Double!"
Double popped out of the Super Ball.
"Double, Alter attack, now!" Jay ordered.
Double changed into a PokÃ©mon half Squirtasuar and half Ultra.
"Good move Jay." Dee nodded.
"Double, thunder shock," Jay ordered.
Double suddenly shocks Squirtasuar.
Then, Squirtasuar ramed into Double.
"Double, Electric Wrap!"
"Double can combind two moves to make one," said the PokedÃ©x.
Double's vines wrap around Squirtasuar's body.
"Wrap Shock!"
Eletricity travels threw the vines, and shocks Squirtasuar and paralzes it.
Double let go.
"Alright," said Jay. "Goooo Super Ball!"
Will Jay capture Squirtasuar?
Is Dee a new ally or enemy?
What happened to Aqueen?
When will Team Rocket strike again?

Chapter One: Out of the Woods, and into Trouble!

"Double, Electric Wrap!"
"Double can combind two moves to make one," said the PokedÃ©x.

Double's vines wrap around Squirtasuar's body.
"Wrap Shock!"
Eletricity travels threw the vines, and shocks Squirtasuar and paralzes it.
Double let go.
"Alright," said Jay. "Goooo Super Ball!"
"Ult tra?" wondered Ultra.
The Super Ball hit Squirtasuar and he went into the ball. It rolled around and stopped.
"Yeah, I caught Squirtasuar!" cheered Jay.
It had only been a week since Jay left his home to to become a Super PokÃ©mon Master. Jay left with his new PokÃ©mon, Ultra. He earn his second two PokÃ©mon, Fire-Kat and Double. Jay won his first battle too. Jay was able to make new allies. And defeat Team Rocket, even though they got away with Fire-Kat.
Now Jay is on his way to Scarlet Town.
"Yeah, I caught Squirtasuar!" cheered Jay. "See that Dee?"
There was no reply.
Jay looked around, but Dee wasn't there.
"Later Dee," Jay murmured.
"Well Ultra, we better head to Scarlet Town," suggested Jay. "I mean, Double and Squirtasuar are probably really tired. We better head to their PokÃ©mon Center."

"Prepare for trouble!"
"And you can make that double double."
"To protect the world from weakling trainers."
"To bind all bad guys within our nation!"
"To annouse the evils of truth and love."
"The extend our reach to the stars above!"
"Mike!"
"Nick."
"And Kelly."
"Fiiiiiire-Kat, that's right!"
"Team Rocket blast off at the speed of light!".
"Surrend now, or perpare to fight. . ."
"All of us!" the finished.
"I'm sorry," said the clerk at the mart, "I don't sell any PokÃ©mon."
Nick, Mike, and Kelly, all members of Team Rocket just glared at the clerk.
"Maybe you didn't hear us," said Kelly. "We want PokÃ©mon, now!"

"Fiiiiiire-Kat, that's right!" hissed Fire-Kat, Jay's ex-PokÃ©mon.
"We don't have any!" protested the clerk.
"Boys, show them what you're made off," ordered Kelly.
"Bulk, go!" ordered Mike.
"Shadow, attack!" ordered Nick.
Both threw their Super Balls and out came the PokÃ©mon.
"Fire-Kat, attack!" ordered Kelly.
"I thought I was here to be the official Super PokÃ©mon for the all new Team Rocket," said Fire-Kat. He layed back. "I don't need to fight."
"Fire-Kat, attack now, or I'll see you to a water PokÃ©mon trainer, and he/she's turn you into a Wet-Kat!" growled Kelly.
"Fine, fine, fine," he grumbled.
"Shadow, suck up all the PokÃ©mon!" ordered Nick.
"Shaddd Ooooh," murmured the ghost PokÃ©mon. He began to suck up PokÃ© Balls annd Super Balls from peoples hands.

"Bulk, use your bullet attack," Mike ordered. "Knock out their PokÃ© Balls and Super Balls!"
Bulk began ramming people.
"Fire-Kat. . . ." Kelly thought for a moment. "Use your glare attack!"
Fire-Kat nodded.
"Hahaha!" laughed Team Rocket. "We're stealing all the PokÃ©mon!"

As Jay and Ultra walked out of the forest, and into Scarlet Town, a motorcycle shot right past them.
"Wha?" Jay murmured.
"Ult Tra?" wondered Ultra.
The motorcycle stopped, and reversed back to Ultra and Jay.
"Alright." The voice under the helmet was female. "You two look supisous. Who are you? Where are you coming from? Where'd you get that Ultra? And why are you here!"
"I'm Jay," he answered. "I came from the Lost Forests. I got this Ultra from Professor Oak. I'm here to heal my Squirtasuar and Double back to perfect health, so I can win badges."
"Oh," said the police woman. "I'm Officer Jenny. I'm sorry for being on your case. It's just that there was a PokÃ©mon attack, and stole PokÃ©mon."
"Oh," Jay said. "I'm sorry. I'll report to you if I see them."

The nurse walked out. "Your Double and Squirtasuar are fighting fit. Come again."
Jay nodded. "Thank you."
Jay and his PokÃ©mon were at the PokÃ©mon Center in Scarlet Town.

"Come again," said the nurse.
"_You!_"
Jay spun arounded.

**WHO'S THAT POKÃ©MON: ORHMPRE?******

Chapter Two: Jay vs. Aqueen!

**IT'S MORPHER! "MORPH MORPH!******

"Aqueen," Jay exclaimed. "What are you do-"
"Don't, 'What are you doing here' me!" she shouted. "I want a battle, without any other trainers butting in!"
"Fine," Jay growled.
"People! People!" The nurse stepped out. "Don't yell! This is a PokÃ©mon Center!"
Jay and Aqueen stood outside.
"Alright, and all out match," said Aqueen.
"Alright." Jay nodded. "Squirtasuar, I chose you!"
Jay threw his Super Ball and out came Squirtasuar.
"Goooo Diver!" shouted Aqueen.
"Ult ra! Ult tra ra! Ult ul tra ra!" cheered Ultra.
"Alright Squirtasuar, poison wrap now!" Jay ordered.
Vines shot out of Squirtasuar. They began to crush Diver.
"Diver, water form!" ordered Aqueen. "Make sure Squirtasuar can't get a hold of you!"
Diver shimmered and turned to water. He slipped out of Squirtasuar's grasp.

"Squirtasuar, poison powder!" ordered Jay.
"Diver, evade!" shouted Aqueen.
Diver dodged Squirtasuar's powder.
"Diver, ice beam!" shouted Aqueen. "Freeze the Squirtasuar in it's tracks, it will be at our mercy!"
Diver shot a beam of ice at Squirtasuar. Squirtasuar froze.
"You think alittle ice won't hurt Squirtasuar!" Jay laughed. "Squirtasuar, tackllllle!"
He didn't move. It was frozen.
Oh no, Jay thought. "Err. . . Squirtasuar, return!"
Squirtasuar popped back into the Super Ball.
"Alright, Ultra, go!" Jay ordered.
Ultra shook his head. "Tra tra!"
"You saying you won't battle, because she's your friend?!" Jay exclaimed.
"Ultra!" he answered.
"Grrr. . . alright, Double, gooo!" Jay threw his Super Ball and out came Double.
"Double shall also freeze," Aqueen said.
"Alright Double, alter attack," ordered Jay. "Mix Diver and Ultra's form!"
"Doub Le!" agreed Double.
But then, all of a sudden, Double shimmered, but didn't change.
"Double?" murmured Jay.
"Alright Diver, Water Cannon, now!" ordered Aqueen.
A blast of water shot out of Diver. It hit Double and Jay.
"Good aim Diver." Aqueen laughed. "Alright Double, another Water Blaster now!"
A larger blast of water shot out of Diver's mouth.
All of a sudden, Double seemed to teleport out of the way, and hit Jay.
"Double, where'd you go?!" Jay exclaimed.
Then, out of the blue, appeared Double, only larger, and different shaped.
"Do-Do-Double evolved!" Aqueen exclaimed.
Jay held up his PokÃ©dex.
"Morpher, the evolved form of Double. This transforming Super PokÃ©mon can use Alter, Transform, and Clone attack."

Chapter Three: PokÃ©mon Ambush!

"Alright Morpher," ordered Jay, "clone attack!"
"Morph morph!" agreed Morpher.
It shimmered again, and split into two.
"Wha?" murmured Aqueen. "It multiplied!"
"Morpher one, alter Ultra and Squirtasuar's form!" Jay ordered. "Morpher two, alter Ultra and Diver's form!"
The two Morpher did as they were told.
"We can handle this," said Aqueen.
"Let's go!" shouted Jay.
All of a sudden, four voices began to laugh.
"It's time to have those three PokÃ©mon," said the first voice.
"It's Team Rocket," Jay exclaimed.
Out came the three Team Rocket members and Jay's old PokÃ©mon, Fire-Kat.
"We've stolen peoples' PokÃ©mon, and now, they're ours for the taking," said Fire-Kat.
Mike grabbed six Super Balls.
"Bulk, Ultimate, Attacker, Bomber, Shell-Shock, Fighter, go!" ordered Mike.

Nick smirked.
"Shadow, Kadabra, Mewtwo, Psycho, Haunter, Invisible, go!" ordered Nick.
Kelly held five PokÃ© Balls/Super Balls.
"Chamander, Fire-Star, Flamer, Flare, Fire Orb, attack!" ordered Kelly. "Fire-Kat, help them!"
Eighteen PokÃ©mon surrounded them.
"But, three trainers against two?" grumbled Jay. "That's not fair."
"I've come to even the odds."
Jay turned his head to see Dee pop in.
"Let's go," said Aqueen. "Diver, Bubbler, Blob attack together!"

"Alright." Dee nodded. "Talon, Birdy, Sky High, let's go!"
Jay nodded. "Ultra, Morpher, I chose!"
The eight PokÃ©mon appeared, ready to fight.
Ultra and Morpher stood in front of Mike's stolen PokÃ©mon.
Jay held up his PokÃ©dex.
"Attacker, the evolved form of Bulk. Bomber, an eletric/fighting Super PokÃ©mon. Shell Shock, a water/fighting/electric PokÃ©mon. Fighter, the second to last stage of Bulk. And Ultimate, the evolved form of Ultra."
"The evolved form of Ultra," Jay repeated.
"Alright Morpher, alter attack all of the PokÃ©mon, now, to create one Ultra PokÃ©mon!" ordered Jay.
Morpher shimmered, and turned into a large, powerful PokÃ©mon.
"Morpher, super slam Attack and Fighter!" ordered Jay.
Morpher jumped, and landed on the two PokÃ©mon.
"Alright Ultra, send Shell Shock and Bomber and charge they'll never forget!" ordered Jay.
Ultra charged up, and a lightning orb, surrounded Ultra. The eletricity shot out and hit the two PokÃ©mon.
Four PokÃ©mon were flattened or fried.
"You may have taken out those PokÃ©mon, but you'll never defeat, Ultimate and my Bulk." Mike laughed.

"Alright Blob, Bubbler, Diver, let's show these PokÃ©mon who not to mess with," said Aqueen. "Blob, Diver, use your Water Cannon on Fire Star and Flamer!"
Blob and Diver shot a large blast of water out of their mouths and hit the two PokÃ©mon.
"Bubbler, use invisibity!" ordered Aqueen.
The large bubble PokÃ©mon disappeared.
"Charmander, Fire Orb, Flare, send a fire blast everywhere!" ordered Kelly. "You can find him!"
The three PokÃ©mon shot fire everywhere, only hurting themselves in the doing.
Bubble reappeared, unharmed.
"Sorry to burst your bubble Bubble, but Fiiiiiire-Kat is about to destroy you." Fire-Kat smirked. He jumped forward trying to slash Bubble, but failed.
"Bubble, capture attack," ordered Jay.
Bubble encased Fire-Kat inside of itself.

Birdy, Sky High, and Talon flew full speed at Nick's stolen PokÃ©mon.
"Talon, us scraper on Haunter and Shadow," ordered Dee. "Sky High, use razor wind on Mewtwo and Kadabra! Birdy, confuse Invisible and Psycho!"
"Haunter, Shadow, hypnosis now!" ordered Nick.

Moving at top speed, Talon didn't hear the two ghosts' songs. Instead, they but themselves to sleep.

Talon's talons scraped against the to asleep PokÃ©mon.

"Great," grumbled Nick. "Mewtwo, Kadabra, use your psybeam to stop Sky High!"

But, Sky High also dodged the two psychic PokÃ©mon's beams.

Sky High moved around, so fast that, Mewtwo and Kadabra ended up shooting each other.

Then, a strong wind from Sky High, hit the two.

"No!" shouted Nick. "Invisible, use your special attack, Psycho, get ready!"

Invisible seemed to disappear, while a sheild seemed to surround Psycho.

Birdy moved at top speed, going fasted then psycho could see, and ended up hurting himself in confusion.

Birdy also confused Invisible, and the PokÃ©mon ended up disappearing and reappearing.

Birdy shot down at Invisible and attacked.

"My PokÃ©mon!" shouted Nick.

Chapter Four: Ultra and Morpher vs. Ultimate and Bulk

Ultra and Morpher both stepped up and glared at their enemies, Ultimate and Bulk.

"Ultra can not defeat Ultimate, nor can Morpher, that is why he remains one of the most powerful Super PokÃ©mon in the world!" shouted Nick.

"Ultra, super bolt now!" Jay ordered.

"Ultimate, use your Ultimate Thunderrrrrr!" ordered Nick.

Jay's Ultra and the Ultimate both shot powerful bolts of electricity.

But, Ultimate's shock pushed Ultra's shock back, and hit Ultra.

"Ultraaaaa!" Jay cried.

"Ultiiiiiii mate!" the Ultimate shouted.

"Morpher, transform the most powerful PokÃ©mon every!" ordered Jay.

Morpher focused, and began to transform into. . . .

PokÃ©master.

A PokÃ©mon with the strength of all the PokÃ©mon and Super PokÃ©mon. Infact, the first of the Ultra PokÃ©mon.

Ultimate glared at Morpher.

"Morpher, use the Ultimate Ultra Shock!" ordered Jay.

Morpher used the shock. but there stood Ultimate stand on his tail, unharmed.

"Alright, Morpher, eletric charge!" ordered Jay.

Morpher turned to Ultra and send a bolt of electricity into Ultra.

Ultra was bubbling with electricity.

"Ultra, Super Boooolt!" orderd Jay.

Ultra send a bolt of electricity into Ultimate.

Ultimate fell down to the grounded, burned to a crisp. He couldn't move at all. Could he be dead.

Bulk ran and hid behind Mike.

"Alright Ultra, we did it!" shouted Jay.

"Traaaaa!" cheered Ultra.
